Fee Circular 2026–2027

ODYSSEY INSTITUTE OF TECHNOLOGY (OIT)

Circular No.: OIT/ADMIN/FEE/2026-27/001
Issued by: Office of Administration and Accounts
Date: 13 October 2026

Purpose and Scope

This circular informs students and parents of Odyssey Institute of Technology (OIT) about hostel accommodation charges, fee payment procedures, and late payment rules for the academic year 2026–2027. All students are advised to review the following instructions and complete their financial formalities within the prescribed deadlines.

1. Hostel Accommodation Charges

OIT provides hostel accommodation to eligible students, subject to availability and completion of the required registration formalities. Students may select their preferred accommodation option during the hostel application process.

Hostel Block A (AC, double sharing) costs Rs 12,000 per semester.

Hostel Block B (non-AC, triple sharing) costs Rs 9,500 per semester.

Hostel room allocation will be managed by the Hostel Administration Office. Students must submit accurate registration details and follow the instructions provided during allotment. Any applicable security deposit or additional charge will be communicated separately through an official notice.

2. Fee Payment Schedule and Procedure

Students must pay their applicable fees within the deadlines announced by the institute. Payment dates and related instructions will be communicated through official circulars, departmental notices, or the student portal.

Payments must be made through authorized institute payment channels. Students should retain receipts and transaction confirmations for future reference.

Students are advised to verify their outstanding balances before making payments. Any discrepancy should be reported to the Accounts Office with the relevant supporting documents.

3. Late Payment Charges

Students who fail to pay their applicable fees by the notified deadline will be subject to the prescribed late payment charges.

Late fee is Rs 100 per day, up to a maximum of Rs 2,000.

Students should complete payments before the deadline to avoid additional charges. Requests for payment extensions due to exceptional circumstances must be submitted to the Accounts Office with an explanation and supporting documents, where applicable. Approval of any extension or waiver rests with the competent institute authority.

4. Important Instructions

Students must ensure that their enrolment details and contact information remain up to date so they receive important financial notifications.

Hostel residents must comply with accommodation rules, maintain cleanliness, respect fellow residents, and protect institutional property. Hostel allocation remains subject to availability and confirmation by the administration.

Students should not rely on verbal assurances concerning payment extensions, fee adjustments, or waivers. All approved exceptions must be documented through the appropriate official channel.

5. Enquiries and Administrative Support

For clarification regarding hostel charges, payment deadlines, outstanding balances, or late payment penalties, students may contact the Accounts Office during official working hours.

Hostel accommodation queries should be directed to the Hostel Administration Office. Students should mention their name, enrolment number, programme, and relevant payment details when submitting an enquiry.

6. Effective Date and Compliance

This circular applies to the academic year 2026–2027 and remains subject to any subsequent amendments issued through an authorized official notice.

All students and parents are requested to take note of the prescribed charges and comply with the payment requirements to ensure the smooth completion of academic and residential formalities.
